## **WEEKLY INCIDENT REPORT 29 Sept – 05 Oct 2008**

### **DANGEROUS GOODS**

On 30 Sep 08, a sour gas leak was reported southwest of Dawson Creek. Several local residents self-evacuated. 15 operators from Heron Energy and Spectra Energy responded with H2S monitors and conducted extensive sweeps of the area but they were unable to detect any sour gas in the area.

On 03 Oct 08, approximately 30 people were evacuated from a residential area in Tumbler Ridge following a report of a natural gas leak. A reception centre was established for those who were displaced. PNG dispatched a crew who arrived on scene and crimped the line. Residents were then allowed to return to their homes.

### **EVIDENCE SEARCH**

On 30 Sep 08, Prince George SAR members assisted the RCMP with an evidence search east of Prince George.

### **MISCELLANEOUS**

On 05 Oct 08, 125 passengers of a train that was involved in an incident with a car were taken to a reception center in Delta while the train was held for investigation purposes. The train was subsequently released and the reception center was closed.
